Your emotional dream is emphasising the regret you will feel if this latest proposal becomes a reality. An insect represents a weak person of bad character. A lemon tree represents poverty. [IBN SIREEN R.A.] So if you marry this man, you will not like his behaviour and you will not be materially well-off either.

Dear Dr. Azam,

Hope this email finds you well.

this is an istikhara dream for my recent proposal... you must be surprised by my proposal list.

I saw this on 3rd day of istikhara,

" I was in my Uncle's home(the one who sent a proposal for his son and I apologized and refused), and my mum came from some market and i found her tired. So I asked her to take some rest and went to the other room to make her sleep there. suddenly some square shaped small sheet type thing which had some hard and thick thorns of pinkish color, sticked to my heel of foot, and it injured me badly and I shouted badly because of the pain. and I had this assumption that, that guy is sitting with his friends outside the house. my mum and other people tried to take out that thing, and i kept calling that guy name to help me. He came but in the mean while my mum took out that thorns sheet. Then i stopped shouting. and I told people in the room that those thorns were so hard, it hurted my heel so badly. even though heel skin is usually very hard. and I could see the holes of that thick thorns in my heel.

Than one of my cousin he told me that, that thing was a kind of insect. which usually come because of the Lemon plant which we have in our home. that was not a sheet it was an insect. "

thats it.

Help plz,

Kind Regards,
Hina Khan

Well, Hina

There are a lot of evil people around. You don't know their motives; Allah does. It's better taking the advice of the Istikhara dreams rather than suffering at the hands of any husband or in-laws.

Insha'Allah, sooner or later you'll find a suitable and good rishta in the v. near future, let's hope, before much time passes and you get older and older.

Thank you Dr. Azam,

I'm grateful to you for all your help and kindness.

Tell me something, in istikhara do we need to just go with the dreams? as istikhara is to seek help and guidance from Allah.

I'm confused as I always get the same confusing and weird dreams for all proposals which are supposed to give a negative impression.

Jazakallah Khair,

DON'T PLAY THE LOTTERY - GAMBLING IS AGAINST THE RULES OF ISLAM; EVEN IF YOU DID WIN MONEY, YOUR LIFE WOULD BECOME CURSED [THIS IS WHAT HAPPENED TO SOMEONE CALLED MUKHTAR FROM BLACKBURN, UK. HE WON 17 MILLION POUNDS ON THE LOTTERY; AFTER THAT, HIS

WIFE LEFT HIM, HE HAD PROBLEMS WITH RELATIVES ETC. ETC. AND IT WAS REPORTED THAT HE SAID THAT HE WISHED HE HAD NEVER WON THE LOTTERY.]

AS I SEE IT, THIS DREAM IS TELLING YOU THAT, AFTER MARRYING, YOU WILL BECOME FABULOUSLY WEALTHY - AS WEALTHY AS IF YOU HAD WON A LOTTERY [A METAPHOR WITHIN A DREAM]. YOU WILL GET SKILL AND POWER IN SOME CAREER [SYMBOLISED BY THE WAVES AND THE SEA]. SO, IN MY OPINION, YOU MUST WORK HARD IN YOUR CHOSEN CAREER AND TRY - YOU WILL, INSHA'ALLAH BECOME V. Ass saa lamu yalaikum. After such a long time i get someone from the Blessing of Allah, who can help me to understand the mettar of my fo my dream. i am so much confushed about dream. But the main is only two dreams one i told you before and i think i can shair the main dream as i saw. please help to to

interpret it.

I am living in Spain and in Europe have a big lottery name Euro Million. 3 years ago first time in my life I finished Al Quran that time everyday I pray 5 times still now. and pray before Fajar Tahajjud and read Quran everyday evening after Magrib.

When I finished the whole Quran I saw a dream my mother give me Euro Million ticket and she said you win the lottery. I saw the dream the time of Tahajjud and wake up and pray Tahajjud and then Fajar. and after that few days later I saw one running horse coming to me and few days later I saw a sea and waves comes to me and I am so happy to see this..

Three years passed away I was so depressed for that and only for reason I did Istighara and few days ago I saw one unknown girl give me some number and said this is the answer your question, because I asked Allah SWT what is the answer about lottery.

but I am not play too much lottery I believe if it's real then Allah will help me, show me today I have to buy ticket.

I am not sure about it, is this the dream about Satan?

Assalamu Alaikum, Brothers Ibrahim Taofik and Ali Adams,

Thank you for raising the point that each Surah must begin with the Bismillah except Surah Taubah and I am in 100% agreement with you. I am only **distributing** the Quran Attachment; I myself have **not** formulated it. I received it from a third party

and do not know who created the Attachment that both of you point is lacking in the Bismillah.

Now I am forwarding a different Attachment of the Holy Quran. Please will both of you accept and check this one and let me know if itsatisfactory this time!

Br Ali

Many thanks for your excellent communication containing links such as <http://tanzil.info> [which I already knew about because I received e-mails making me aware of it] and www.zekr.org [which is a completely new link to me].

I'd like to emphasise that, out of the hundreds of Quran Attachments that I have distributed, only a handful of readers have complained about the Bismillah missing. I think readers automatically begin each Surah with the Bismillah but I'd like to express my gratitude to you, Br Ibrahim and, perhaps, others for making me aware of the existence of this omission.

I judge your e-mail to be so valuable that I intend to publish it, Insha'Allah in my Files of Correspondence [see: <http://umarazam.weebly.com>] in the near future, so that what you say will be of use to others.

Dear brother Dr Umar,

I have just check this version and still misses bismAllah from suran Al-Baqara so I assume all other too.

Please instead of distributing an authentic Quran copies (I am sure unintentionally), instead direct people to the website <http://tanzil.info> which has many languages and where the Quran can be download as real text not as a Pdf file.

Also if the readers need an offline Quran copy and then www.zekr.org is an excellent software which uses the tanzil text too.

Finally al-hamdu liAllah for everything and King Fahad Quran Complex (the people who print the REAL Quran for us all) have made their copy available as a software for PC (which requires Arabic OS so I haven't tested it) and PocketPc which I have tested on my HTC mobile and it works perfectly al-hamdu liAllah.

Salam and may Allah bless us with great rewards in this holy month of Ramadhaan in sha Allah.

Also for you info, there is a very strong possibility that the 23rd night (not the 27th) is Layal Al-Qard and Allah knows best.

The most I can do for you is to send you the Arabic-Urdu Quran Attachment [attached] {FOUND PERMANENTLY ON HTTP://DOCTORUMARAZAM.WEBLY.COM }. I am not an expert in I.T. A private company maintains my Sites www.dr-umar-azam.com and www.dr-umar-azam.co.uk

I suggest you contact a local I.T. expert or local website hosting company for advice as to how to link attachments to your Samsung television [they would have the know-how]. I think the reason why the downloads you mention are incomplete on the net is that private companies want you to buy software [DVD-R Disc] that has the entire Holy Quran on in the format that you require. Again, please ask I.T. experts for specialist information.

Dr Azam,

I came across your website, and saw this link <http://umarazam.weebly.com/islamic-miracles.html>

then I found a photo of a foot having Allah name painted on it. I feel really disappointed by seeing such a thing

As a Muslim I argue you to remove that photo, Allah is greater than being named on a foot (God gave us the mercy)

I believe we must be more deeper than having some photos from here and their trying to prove the existence of god's miracles, Islam is a religion of philosophy and spirit and Allah is greater than forming his holly name on someone's foot.

Please remove that photo if you fear Allah.

Salam, Mohyedeem

The name of Allah is not painted on the foot; the foot is shaped naturally to form the name of Allah. This is no disrespect to Allah because Allah is the one who creates; rather, it is a holy miracle. Our hands, too, form the Name of Allah [see the ASPECTS OF ISLAM section on www.dr-umar-azam.com]

I take it that you have expressed a personal opinion - an uneducated opinion that does not have the backing of Islamic knowledge!

You have to support your own thoughts before posting them, with either Quran or Sunnah.

We have enough miracles other than finding someone's foot and claiming that its shaped of Allah name (Allah is greater).

YOUR aspects of ISLAM is not really from Islam its some researches that might be disapproved by the time, there are none of them for certain, I think you should be more careful before adopting random things and relating them to ISLAM.

we do have five known aspects

http://en.wikipedia.org/wiki/Five_Pillars_of_Islam

Also, dont think that having a "DR" in front of your name would get you anywhere to be more knowledgeable. So please keep reminding yourself, that our prophet was a really humble person, and we have to follow him and be the same.

Allah lead you to the right path.

I came across your website, and saw this link <http://umarazam.weebly.com/islamic-miracles.html>

then I found a photo of a foot having Allah name painted on it. I feel really disappointed by seeing such a thing

As a Muslim I argue you to remove that photo, Allah is greater than being named on a foot (God gave us the mercy)

I believe we must be more deeper than having some photos from here and their trying to prove the existence of god's miracles, Islam is a religion of philosophy and spirit and Allah is greater than forming his holly name on someone's foot.

Please remove that photo if you fear Allah.

It seems to be that there is a defect in your understanding of Islam.

The onus is not on me to prove that the photograph of the foot is invalid as an Islamic miracle; if you disagree, you have to furnish proof that the photograph is contrary to the principles of Islam!

AssalamuAlaikum-Warahmatullahi-Wabarakatuhu,

Dr,i got a dream sometime back. I am very confused and i am hoping to find peace through your help,Inshallah.

I saw a dream that i am in a hospital lying on the bed,i am wearing a patients dress(long white shirt) I get up from the bed and say to myself " I am married and my husband is a dental surgeon" I see that man infront of me,i am at peace but i did not see his face. He was turned on the other side when i was seeing him,i could just see his back.

I then decide to have a full body check up as i can have any treatment for free here in the hospital. My husband is surprised and says " Body check up?" - Little annoyed. I then say "ok,i will get a kidney checkup" I go ahead and exit that room through a slightly open door. I am thinking " I need to pee and collect it in a small container for my kidney checkup,i relief myself but i forget to collect it" I come out of the washroom and the nurse is caring a lot for me,she is putting some green colour sanitizer on the floor so that i can walk on the clean floor and she puts towel on the floor so that i can walk on it because i have wet feet. I dont walk on the towels because i fear i may fall. I am not wearing any footwear. I am just wearing the shirt but no pants, a cool wind comes from outside of the hospital and when the door of the hospital opens (right side) the cool winds travels to me and i touches my leg and feet.I feel really relaxed. I get on the bed,there is a big TV on my behind which has some green things in it. The female doctor applies some yellow medicine on my stomach and tells me " You have two fetus" I am surprised what is she saying? I came for a kidney checkup. I listen to her and i am trying to convince her that perhaps it is just one fetus and one is my urge to pee once again which i was feeling in the dream while lying on the bed. At that moment my husband comes,he is sitting. He looks at my stomach,completely shocked with the news and stares at me with such big eyes. The doctor tells me to say "Inshallah" for

the twins. I say "Inshallah" and i am shy and happy. The female doctor makes a strange face too and is very surprised when she finds out that i have two fetus. I weird thing was,the doctor and my husband both did not made a happy face. They were shocked.

I have some proposals waiting for me now. Before saying yes to any of them,i want to know the meaning of dream. Please Doctor,explain me what it means.

Alhamdulillah the dream was beautiful and i was at peace.

JazakAllahKhair

Wa laikum salam, Maryam

Thanks for narrating your dream; from what I can gather [this dream is quite easy to interpret], there is good news for you - your health will improve [hospital] and you will get rich after marriage [pregnancy, urine] {based on entries in DREAMS AND INTERPRETATIONS by Ibn Sireen R.A.} Go ahead and choose the match which your 'heart' [vibes] tell you is right and then get your parents' consent.

Insha'Allah, you will be happy and opulent!

Dear Mrs Charleworth,

Thank you for contacting me.; I presume you became aware of my Halal Ingredients Report on my Site www.dr-umar-azam.co.uk To compile this Report, I had to contact a number of leading manufacturers, so I think I have the experience to solve your dilemma.

I am very concerned for your autistic child and tried to e-mail UNITED BISCUITS U.K. LTD [the makers of SKIPS] but the online consumer comments form does not work, is two years out of date and no email address has been supplied by United Biscuits! I suspect the Company want consumers to contact them by postal mail, hence these obstacles.

So I intend to write regarding your query and will e-mail you their reply. Please allow me at least 14 days to sort this out [it may take longer if United Biscuits delay their reply to me!]. However long it takes, I will get back to you.

Dear Sir,

I was wondering if you can help explain my dream. It was quite strange. It has an Islamic relation to it. Well let me explain it to you:

I was invited to dinner at my aunt's house. However, I had cooked a pot of soup and added rat poison to it so she would drink from it. She started to drink from it and started to turn green. She then transformed into a dwarf not resembling her at all. Finally, the doorbell rang and the domestic helper opened the door and she entered with an evil look on her face. She then told me that "your doings will never work on me." I was in awe. The doorbell rang again however it was my mother. She was dressed in white and was either pregnant or her stomach was bloated. She insisted that I should get the Quran and put my aunt's hand on it. However, her hand was resisting it. My mother told me to recite the ma'outhaat. With force on her hand I got it to be placed on the Holy Book. I started to recite and my mother did not enter the house, however she started to say the call for prayer "Adhan." My aunt's voice changed and it turned to be extremely scary like one of those monsters from horror movies. She was screaming "Stop it, Stop it"

My mother and my aunt had a bad relationship. I lost my mother in November 2005. My aunt had a bad relationship as well with my dead uncle and grandparents. My mother was the opposite she was close to her brother and especially her parents.

Can you explain what this dream means as I don't understand it. Additionally, Earlier this year I have dreamt twice that I was dead, one was me being carried in my janazah and the other being buried alive. I recently dreamt that I died on my mother's desk next to her computer desk and I felt my body become so heavy as if it weighed a ton. Suddenly I felt so relaxed and light. I then looked down and saw my dead body and a man put his hand on my shoulder and told me to say "Bismillah ilrahman il raheem" however I couldn't turn to get a glimpse of that man. I then woke up.

Sorry to trouble you, However I am curious as to what the dreams I have been having lately mean.

Thank you,

Abdulaziz Alhudaib

Salam, Abdulazaiz

Thanks for contacting me. As I see it, this is what your dreams are telling you:

Your First Dream

Your aunt is an evil character. You wish to make her religious and therefore considerate. But she resists your efforts and continues to tread the evil path. She is so resolute in sinning that it is doubtful that you will be able to change her for the better.

Your Second Dream

When your mother passed away, a very happy chapter in your life ended [symbolized by the first death]. You were very sad and distressed as a result ['body became so heavy that it weighed a ton'].

Every soul will taste death but you are not meant to die with your mother! You have to live your own life and go when your own time comes. Life is a gift. Don't waste time. Use your life to do good deeds before it is too late. See my work PRACTICAL ISLAMICADVICE on www.dr-umar-azam.com for more advice; this booklet discusses death and life.

May Allah give you happiness and success! Ameen.

Congratulations on your publishing venture.

I attach an English Translation of the Entire Holy Quran. It does not belong to me and appears to be in the public domain i.e. free of copyright. Would you like to print this after verifying its accuracy by comparing it to e.g. the translations of Abdullah Yusuf Ali or Mohammed Marmaduke Pkthl (in this regard see QURAN EXPLORER on my Site www.dr-umar-azam.co.uk)?

Salam, Br

I think I received the Attachment from some Islamic Group on the web [I can't recall which one]. There was no name of the translator when I received it. A good idea would be to get it checked by the Ulema/Translator [sorry I haven't the know-how to do this myself] and then they could certify that it is authentic; that would negate the need for the translator's reference.

Salam, Br

I think I received the Attachment from some Islamic Group on the web [I can't recall which one]. There was no name of the translator when I received it. A good idea would be to get it checked by the Ulema/Translator [sorry I haven't the know-how to do this myself] and then they could certify that it is authentic; that would negate the need for the translator's reference.

Dear Brother, as we have to put the name of the translator in the credits. It would be really appreciable if you can give the name of the translator. May Allah bless you for it.

Congratulations on your publishing venture.

I attach an English Translation of the Entire Holy Quran. It does not belong to me and appears to be in the public domain i.e. free of copyright. Would you like to print this after verifying its accuracy by comparing it to e.g. the translations of Abdullah Yusuf Ali or Mohammed Marmaduke Pikhthal (in this regard see QURAN EXPLORER on my Site www.dr-umar-azam.co.uk)?

I DON'T HAVE THE PANJSURAH SHAREEF ANY LONGER BECAUSE I GAVE IT AWAY TO A FAMILY MEMBER.

NOR DO I KNOW THE ORIGIN OF THE SIX KEYS. WHAT YOU CAN DO IS TO FIRST BUY THE BOOK AND THEN ASK THESE SAME QUESTIONS TO THE PUBLISHER WHOSE NAME AND ADDRESS WILL BE PRINTED AT THE FRONT AND/OR BACK OF THE BOOK.

WHAT I DO KNOW IS THAT THE SIX KEYS AND THE SEVEN HAIKALS GET RID OF DEVILS AND DEMONS [ARE EFFECTIVE AGAINST WITCHCRAFT/BLACK MAGIC], WHICH IS WHY I HAVE SCANNED THEM ON MY SITE; SO EVEN IF SOMEONE HAS DIFFICULTY BUYING THE PANSURAH, OR CANNOT AFFORD TO BUY IT, AT LEAST THE SIX KEYS AND THE SEVEN HAIKALS ARE AVAILABLE FREE ON MY SITE [HTTP://DR-UMAR-AZAM.WEEBLY.COM](http://dr-umar-azam.weebly.com)

WA LAIKUM SALAM, BR

I HAVE READ THE ENGLISH TRANSLATION OF THE TEXT OF THE RAHSIA-AYAT-KAF-40 WEBSITE AND IT STATES CLEARLY THAT THE DUA IS A TRADITIONAL WIRD USED BY MALAY ISLAMIC FOREFATHERS TO INVOKE ALLAH'S HELP IN THE EVENT OF WAR, INJURY, DANGER FROM WILD ANIMALS ETC. I DON'T THINK THESE PRAYERS ARE FROM QURAN OR HADITH BUT THEY ARE PRIVATE DUAS BASED ON THE TEXT OF THE HOLY QURAN. THEY HAVE VALUE BECAUSE YOU COULD ASK ALLAH FOR HELP IN ANY LANGUAGE, USING A PRAYER OF OUR OWN WORDS, AND ALLAH WILL GRANT IT IF IT IS ALLAH'S WILL. SO TO BASE EVERYTHING ON THE QURAN AND HADITH IS NOT NECESSARY. IT WOULD NOT BE BIDAH, FOR EXAMPLE, TO INVOKE ALLAH, SAYING: 'O ALLAH! PLEASE HELP ME

PASS MY DRIVING TEST!' WHERE WOULD YOU FIND THESE EXACT WORDS IN THE QURAN AND HADITH? YET IT IS A DUA IF YOU ASK ALLAH ALONE, SINCERELY.

OBVIOUSLY, THERE CAN'T BE DRAWINGS [OF FIGURES] ON THE

DESIGNS. I DO KNOW THAT I HAVE PLACED MORE THAN ONE SOFT
COPY VERSION OF ATTACHMENTS BUT THEY ARE ALL ON MY
